Dedication

We, the Echo Staff of 1964, wish to dedicate this yearbook to a man of outstanding character. He, as a doctor, has contributed much to this community. What child has not dreaded seeing him on certain days? Yet his cheerfulness and warm personality have overcome this dread, and it becomes a pleasure to see him.

Dr. Phillips has been very active in civic improvements. Our new community center, finished only this year, has come about through great effort on the part of our community leaders--Dr. Phillips among them.

We dedicate this yearbook to you, Dr. W. E. Phillips, with great pleasure and sincere appreciation.

Dr. Phillips is assisted by our county nurse, Mrs. Veda Hawkins, and by Miss Juanita Milligan.

Best wishes
Dr Wm Phillips

MR. KELLY LOY IS ATTORNEY FOR THE BOARD

Mr. L. R. "Bill" Frye, Principal

Someone has said that education is a companion which no misfortune can decrease, no crime can destroy, no enemy can alienate, no power enslave; at home a friend, abroad an introduction; in solitude a solace; in society an ornament. It disciplines vice, guides virtue, and gives grace and government to talent. Education may cost financial sacrifice and mental pain, but in both money and life values it will repay every cost one hundred fold.

So we can say, without hesitation, that the educational process is not an easy one and there will be sacrifices in the form of work, time and patience. However, upon the attainment of your educational goal, I doubt that you will want to exchange your valued experiences for anything in this world.

Our thanks to Mrs. Webster, the Echo staff, faculty, and others who have shared the responsibility for the production of this yearbook.
